## STEAMBOX

### The STEAMBOX is here to meet all of your needs!

This rotisserie oven is fitted out like a dream! With a revolutionary automatic steam cleaning system, a touchscreen glass control panel and incomparable cooking quality, this is a truly indispensable tool.

## Technical features of a master rotisserie oven

### EASY TO CLEAN

Automatic steam cleaning program (15 min), fitted with 4 stainless steel cradles, glass touchscreen control panel, integrated rapid-drain fat tray and an interior which can be fully dismantled.

### PERFORMANCE

Incomparable cooking results, thanks to a combination of fan-assisted hot air (for a tender product) and direct infra-red heat (for color and crispy skin).

### CAPACITY

12 to 16 chickens depending on weight.

### A BEAUTIFUL DESIGN

Optimized product view thanks to front and back windows, a modern and innovative design down to the smallest details, quartz lighting protected by glass ceramic.

### ERGONOMIC

Glass doors which open on open sides, digital thermostat, automatic shut-off once the product is cooked, "temperature hold" mode and double windows on both front and back (opens on both sides).

### ELECTRICAL SUPPLY

Standard 380 V + N + T.

**THE ORIGINAL**

## Néobox, combined rotisserie oven and self-service display
